

ENDING YOUTH HOMELESSNESS

YouthCare works to end youth homelessness and to ensure that young people are valued for who they are and empowered to achieve their potential.

VISION

YouthCare envisions a community where no young person experiences homelessness, all young people have the opportunity to thrive, and the systems that oppress them are dismantled.

IMPACT

13 program sites (including 3 emergency shelters) serving around 1,200 young people ages 12-24 every year. Our services include prevention, street outreach, engagement centers, shelter, housing, and education and employment training programs.
