Each young person arrives at YouthCare with a unique story and set of circumstances. For some, youth services at Engagement Centers—like a hot meal, a connection to staff, a visit to the clinic—are all they need to move forward. For others, the path to stability may include Core Programming, such as longer-term shelter, housing, case management, education, and employment training.

YouthCare’s engagement centers are safe and welcoming spaces where youth can come during the day to enjoy a meal, meet with supportive staff, connect to services, and start to think about next steps.
